

## Jubilee Junction Over the Counter Product Release

Occasionally your child may require first aid during the day. For these occasions, we maintain a limited supply of first aid products.

Please indicate with a check mark any/all items your child may receive.

Bactine (abrasions, cuts)

Caladryl (itching)

Benadryl Spray (insect bites)

Sterile Eye Wash

Triple Antibiotic Ointment (Bacitracin, Neomycin, Polymyxin B for abrasions)

Desitin (for children in diapers only)

I authorize the person in charge to administer to my child the above first aid products.
